Summer Newsletter No.5

26<sup>th</sup> June 2017

Dear Parents and Carers,

I am rather relieved to be writing this in somewhat cooler conditions than last week! Hopefully more 'usual' weather conditions have returned. The children and staff all coped very well despite the conditions and learning continued apace.

I am delighted to inform you that we were visited by the local authority over the past few weeks. It is common practice for schools to be chosen, every few years to have their assessment judgments moderated by external experts. This year moderators came to evaluate our assessment practices and final judgements in both EYFS and Year 2. I am pleased to report that both year groups 'passed' with flying colours. The local authority representatives commented on the excellent teacher subject knowledge, the robust assessment procedures we have and the integrity shown by all staff to ensure accurate and fair judgements.

I am sure you will join me in thanking all the staff for their hard work and continued dedication to our children.

Miss K Aldred

#### **Fidget Spinners**

##### **Fidget Spinners are not allowed in school.**

Unfortunately a number of children have been bringing them to school recently and this has led to arguments and disagreements between children.

As I have stated previously; these are toys and as such should not be brought in to school unless prescribed by an educational professional.

**Spinners will be confiscated if found in school.**
