Autumn Newsletter No. 1

10th September 2018

Dear Parents and Carers,

Welcome back and a special welcome to all of our new families. It has been lovely to see everyone settle in so quickly. You will have noticed a few changes around school over the summer. We have new windows at the front and the EYFS building works have been completed. You will also notice a few new faces around school this term and I am sure you will join me in making everyone feel welcome, I look forward to getting to know all of our new families and please do not hesitate to stop and say hello or ask a question, should you have one.

Kind regards

Miss K Aldred

Morning drop off

It has been lovely to see everyone bright and early every day this week and I thank you for your punctuality. For those new to the school please remember that the children should be in the playground at **8.45am**, ready to start lessons by **8.55am**. If you arrive after **8.55am** you must take your child to the school office and staff will then escort your child to their classroom. To aid independence as well, ensure our children remain safe, please say goodbye on the playground and do not escort your child inside the building.

Nut Allergies

Please be aware that we are a **nut free school**. We have a number of children with nut allergies in school and I respectfully ask that you do not send your child with any products that may contain nuts, or traces of nuts.
