Autumn Newsletter No. 3

07th October 2019

Dear Parents and Carers,

What a busy and successful September we have had! I am very pleased to see such a calm and purposeful atmosphere around school and the children flourishing in their new classes.

On Friday I was delighted to present our new School Council members with their badges and look forward to working with them over the coming year.

I was equally delighted to present our first 'Book Worm of the Week' awards in awards assembly. This award is designed to encourage and recognise all those children that show and share a passion for reading. Each 'Bookworm' will be presented with a certificate and book to keep. Reading is a vital life skill which is at the heart of our curriculum here at Bagshot. Our mission is to enable every child to not only become an accomplished reader but to also develop a love of reading.

Harvest Festival

Our Harvest Festival will be held on **9th October at 9.15am and 2.30pm**. Thank you to those of you who have already donated dried goods for our collection. We will keep accepting donations until Wednesday morning, so please drop them off in the main school hall.
I look forward to welcoming everyone as per the allotted times below.

09.15: (Cherry, Oak and Cedar)
2.30pm (Maple, Beech and Holly)

Please also remember; we provide a crèche facility for younger siblings, for those of you unable to leave young ones at home. To reserve a place contact the school office no later than **Tuesday morning**. In our experience, younger siblings can find assemblies a little too long and can become agitated, making it difficult for our children to be heard. For this reason no younger siblings are allowed into performances.

Early Years Play Equipment

Please could I ask that you ensure your child does not play on the Early Years climbing frame before or after school. Our children are very familiar with the safety rules regarding the equipment, during the school day but seem to forget them after 3.05pm!

Thank you for your support.

Library

I am pleased to announce that the school library will once again open after school on Monday and Friday afternoons from this week. Please do pop along to borrow one of our fantastic books.

School Garden Plant Sale

Thank you to everyone that came along and purchased some lettuce, celery or even a chilli or two on Friday!
We raised £42 from our sale ☺

FOBSA Party Night

FOBSA will be holding the first Party night of the year on Friday 18th October. This is always a very popular event and sells out quickly. If you would like to attend please return your slip as soon as possible.
I look forward to 'partying' with as many of you as possible!

Windlesham Parish Council

I am very pleased to report that we have been successful in our request for funding from the Windlesham Parish Council. We have been given £1000 towards our apiary project.
