

Peek at the week

Reception

Week Beginning: 20/04/2020

Welcome Back (sort of!!)

Maths

So not quite what we had planned for the last few weeks, but do hope you are all safe and staying well.

We miss you all very much and look forward to when we can get back to some kind of new normal.

Also please remember to keep reading and enjoying Reading Eggs

Phonics

Hopefully the children have been practising their sounds and you have been able to access Phonics play and have a go at some the activities on there.

<https://www.phonicsplay.co.uk>

Please also have a look at Twinkl as they have lots of activities on there including free live phonics sessions

In maths we would love the children to have a go at finding out about money using small coins like 1p, 2p, 5p, 10p, 20p 50p and £1.

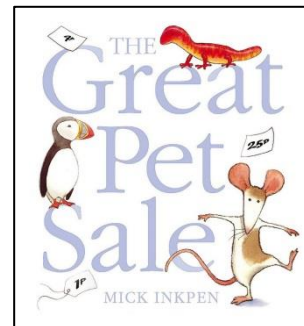

Perhaps they could make up a shop and have a go at labelling items then, buying and selling things that they have at home. You could also read the story of the Great pet sale -

<https://www.youtube.com/watch?v=1ISVfZAVD6o> and again there are lots of free resources on Twinkl

Literacy

Reception
Week Beginning: 20/04/2020

It would be lovely if the children could write about their Easter.

Can they answer some simple questions and write them in a sentence?

Can they also draw a picture of the Easter Bunny?

E.g. How many Easter Eggs did they have? Did they have an Easter egg hunt? Did they see the Easter bunny?

(I got 5 Easter Eggs. I had a hunt in my garden)

St George's Day

Thursday 23rd is St Georges day, can the children find out what is special about this day and make their own flags or bunting

Arts and Design

Can the children have a go at making a map? Maybe they could draw a map of where they went for their Easter Egg hunt, or their journey from their bedroom to the lounge etc.

Perhaps they could even pretend to be a pirate and make a special treasure map
