

# Peek at the week

Reception  
Week Beginning: 27/04/2020

## Another week of school (sort of!!)

So once again not quite what we had planned for the last few weeks, but do hope you are all remaining safe and staying well.

We still miss you all very much and look forward to when we can get back to some kind of new normal.

Don't forget please remember to keep reading; comics, magazines, books at home and enjoying Reading Eggs

## Phonics

Hopefully the children have been practising their sounds and you have been able to access Phonics play and have a go at some the activities on there.

## Maths

If the children enjoyed shops and money last week it would be lovely for them to carry on.

Some ideas might include sorting items in the shop, for example:

Sorting by, colour, shape 2D and 3D, fruit, vegetable, household, clothes, size etc.

Sparklebox has lots of ideas for lots of different types of shops:

# Peek at the week

Reception

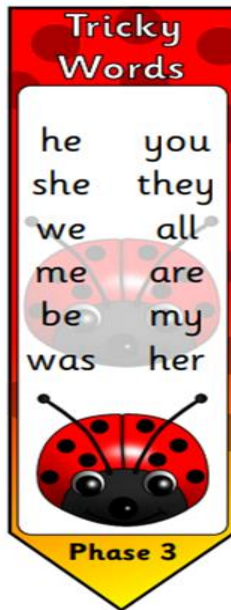

Week Beginning: 27/04/2020

## Literacy

It would be lovely if the children could follow on with writing some sentences

Can they use some the tricky words in a sentence? All the children have the bookmarks in the front of their reading diaries, but we have also added them below.

Remember tricky words cannot be sounded out they are words we just have to know.

## PE/ Arts and Design

As part of PE this half term would have included working on ball skills.

It would be lovely if they could have a go at throwing and catching outdoors or maybe have a go at making their own version of the game inside.

Or maybe they could have a go at making a cup and ball game
