Reading

Read for 10 -15 minutes everyday.

Try Oxford Owl or a book from home - can you find a fun place to read and take a picture?

Understanding the world

Have a look at the Forestry Commission website as they have some lovely activities for our story this week, including making your own hobby horse, with a stick and a sock.

Cup Echoes - using a plastic or paper cup can you speak into the cup in different ways. Start with your mouth close to the cup, then from further away, and then try putting cotton wool in the cup, what happens? Can you hear an echoey sound? What do you notice about the sounds? Which one do like the best?

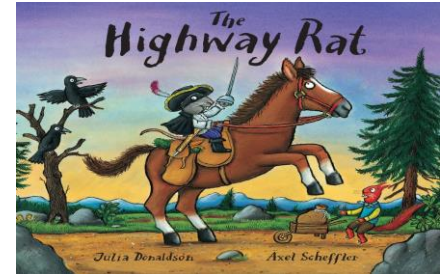

Literacy/Topic - Julia Donaldson Stories

Last week we read the story of 'The snail and the Whale'. This week we are going to look at the story of 'The Highway Rat' by Julia Donaldson (she even has her own website <https://www.juliadonaldson.co.uk/>)

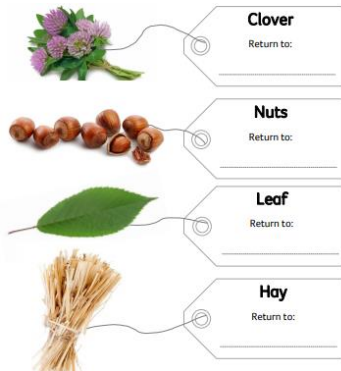

Listen to the story - <https://www.youtube.com/watch?v=uMwu8-j-euA>

In the story, the Highway rat steals from the animals around him. Can you make a wanted poster for the Highway Rat. Don't forget to draw him and write his name.

At the end of the story the duck becomes a hero by saving the day. If you were the hero in the story, tell a grown up what you would do to stop the Highway Rat from stealing. How would you help?

Can you remember what the Highway Rat stole and who it stole it from? Can you make a list so that everything can be returned to the right person?

Have a think about how the characters might have been Feeling or what they might be saying. Can you can you write it in a speech/ thought bubble?

Stay Active

Cosmic Kids - yoga all about saying hello and being polite, try 'Kickapoo the Kangaroo'

<https://www.youtube.com/watch?v=eGNHLzZhX6c>

Cosmic Kids - yoga all about empathy and compassion, try 'Mike the cosmic space monkey'

<https://www.youtube.com/watch?v=LZAaZDVqCiA>

Don't forget to check out the great Joe Wicks for some daily PE too

Phonics

Over the next few weeks we are suggesting making phonics comics

<https://phonicsplaycomics.co.uk/comics.html>

Each comic contains several sounds which the children could practise and then use their own phonics knowledge to make up their own comic, adding a different set of sounds each week. Use the sounds your child knows best.

If you've already had a go with one group of sounds can you try another group and add it to your comic as well?

Maths

Playing and Exploring

Playing including open ended play, is a very important part of the Early Years curriculum. It encourages imagination, role play, enquiry and investigation, problem solving, independence, and creativity.

We very much encourage play to be part of each day. What will you choose each day?
