Dear Year 2 Children,

So, Year two, your time as a pupil at Bagshot Infant School has come to an end.

Even though we do not get to finish the year as we had hoped and do everything that we had planned to, I know that you have all become amazing human beings. I know because you showed me every single day.

Over the last three years you have shown me you have the confidence to take on any challenge and you have shown me your love for reading and gardening. 😊 Most importantly, you have shown me the care you have for each other and your pride in coming to our school each day. I have wonderful memories of you all and I want to thank you for being such a happy and enthusiastic year group.

Miss Norgate and Miss P, in fact all the teachers, helpers and volunteers that helped you learn over the last three years miss you all terribly and send you their very best wishes for your new adventure in Year 3. They know that you won't need luck, as you are already brilliant and will fly high but, just in case; Good luck!

The summer holidays will soon be upon us and we have all got a lot of gardening to be getting on with; the weeds in the school garden have definitely grown much faster this year! Have a wonderful summer holiday and make the most of every single minute at junior school. Find the garden, make friends and, most importantly, keep reading!

With warm wishes

Miss Aldred
Headteacher

P.S: Just because we are not together doesn't mean we can't sing our leavers song at home 😊

One more step along the world I go

One more step along the world I go,
One more step along the world I go;
From the old things to the new
Keep me traveling along with you
And it's from the old I travel to the new;
Keep me traveling along with you.
Round the corners of the world I turn,
More and more about the world I learn;
And the new things that I see
You'll be looking at along with me

And it's from the old I travel to the new;
Keep me traveling along with you.
As I travel through the bad and good,
Keep me traveling the way I should;
Where I see no way to go
You'll be telling me the way, I know
And it's from the old I travel to the new;
Keep me traveling along with you.
Give me courage when the world is rough,
Keep me loving though the world is tough;
Leap and sing in all I do,
Keep me traveling along with you
And it's from the old I travel to the new;
Keep me traveling along with you.
You are older than the world can be,
You are younger than the life in me;
Ever old and ever new,
Keep me traveling along with you
And it's from the old I travel to the new;
Keep me traveling along with you
