FOBSA: Happy School Bag Collection

Dear parents and carers,

FOBSA have organised a Happy School Bag Collection for **Tuesday 6th October**. Further details of items that can be included and where to leave your bags can be found in the attached letter.

Your child will bring home a plastic bag today, for you to fill but you can of course fill more than one bag and just use any bin bag from home. The bags have been quarantined in school, for 72 hours but you may wish to clean them again before they enter your home.

FOBSA volunteers will be situated in the front car park, to show you where to drop your bags on 6th October but for their own safety will not handle any of the filled bags. Happy School Bag operatives will collect the bags on the same day ensuring no social distancing measures are compromised.

Thank you for your support.

Kind regards

Miss K Aldred
