Dear parents and carers,

We have been working hard with our catering team over the past week to plan a lunch menu that appeals to the children and offers a balance of cold and hot choices, within the current constraints we are working under.

The menu detailed below, will be on offer for the next three weeks. It will then be reviewed and I will inform you of any changes. We will aim to add more hot options after reviewing the success of this menu.

I appreciate not every child will like every meal option but, as I hope you can appreciate it is increasingly difficult to cater accurately when children change from a packed lunch, to a school lunch daily. Therefore, I would like to give the children the opportunity to try the new menu, next week and then ask that from **Monday 21st September** you and your child commit to either having a school lunch, every day or a home packed lunch every day.

Please also note; unless your child is already registered as vegetarian or has a special diet they will be assigned the meat option. The children will not be able to opt for the vegetarian choice.

Kind regards

Miss Aldred
