

Pupil Premium Report

2020-2021

Pupil premium is additional funding for publicly funded schools in England to raise the attainment of disadvantaged pupils of all abilities and to close the gaps between them and their peers.

In the 2020 to 2021 financial year, schools receive £1,345 for each child in Reception to Year 6 registered as eligible for free school meals at any point in the last 6 years.

Schools also receive £2,345 for each pupil identified in the spring school census as having left local-authority care because of one of the following: adoption; a special guardianship order; a child arrangements order; or a residence order.

If a pupil has been registered as eligible for free school meals and has also left local-authority care for any of the reasons above, they will attract the £2,345 rate.

Children who have been in local-authority care for 1 day or more also attract £2,345 of pupil premium funding. Funding for these pupils is managed by the virtual school head (VSH) in the local authority that looks after the child.

Pupil premium funding is paid to the local authority in quarterly instalments, and they pass the funding on to schools.

In the 2020 to 2021 financial year, pupil premium funding is paid to local authorities on:

- 30 June 2020
- 30 September 2020
- 31 December 2020
- 31 March 2021

At Bagshot Infant School for the academic year 2020-2021 our total number of pupils who are eligible for Pupil Premium funding is:

28 (17%)

Our total PP funding is:

£38,625

In order to ensure we use this extra funding effectively and continue to raise the attainment of disadvantaged pupils of all abilities and to close the gaps between them and their peers, the senior leadership team (SLT) have discussed effective practice and combined their professional knowledge with evidence to draw up a robust action plan for our school.

We have also drawn up our Pupil Premium Strategy Statement, (see below) which is also available to view on our school website.

(Sources consulted: The Education Endowment Foundation's [teaching and learning toolkit](#) , [families of schools toolkit](#) and [evaluation tool](#). The NfER report on supporting the attainment of disadvantaged pupils, Ofsted's 2013 report on the pupil premium and Ofsted's 2014 report on pupil premium progress. Ofsted's *Unknown children- destined for disadvantage?* Our RAISE online data, staff and pupil consultation, our Pupil Asset data, our EYFS profile data including our GLD, our Year 1 phonics screening and our end of Key Stage One data, our attendance records and our most recent Ofsted reports.)

As a staff we have attempted to define the term 'disadvantaged'. We believe it includes:

- Children eligible for Pupil Premium funding
- Children who have received/ were eligible for a funded place in pre-school
- Children in Reception with poor speech and language
- Children being looked after by someone other than their parents
- Children whose family members are known to have been involved in crime

- Children with young or teenage parents
- Children with SEN
- Children with EAL
- GRT children
- Summer born children

Strategy Statement 2020-2021

1. Summary information					
School	Bagshot Infant School				
Academic Year	2020/2021	Total PP budget	£38,625	Date of most recent PP Review	07/2020
Total number of pupils	168	Number of pupils eligible for PP	28(17%)	Date for next internal review of this strategy	07/2021

2. Current attainment * Please note: due to COVID-19 All statutory assessments were suspended for the academic ending July 2020. Therefore, this data is the most up to date available.			
	Pupils eligible for PP	All pupils(School)	All Pupils National
% of Reception children achieving GLD (Good Level of Development)	20% (1 pupil) 1/5	70%	-
% passing Phonics screening in Year 1	70% (7 pupils) 7/10	75%	82%
% passing Phonics screening in Year 2	66% (10 pupils) 10/15	91%	91%
% achieving expected or above in reading in Year 2	55% (6 pupils) 6/11	75%	75%
% achieving expected or above in writing in Year 2	55% (6 pupils) 6/11	75%	69%
% achieving expected or above in maths Year 2	55% (6 pupils) 6/11	77%	76%
3. Barriers to future attainment (for pupils eligible for PP)			

In-school barriers <i>(issues to be addressed in school, such as poor oral language skills)</i>			
A.	Poor language skills		
B.	Social and Emotional development		
C.	Parental Engagement		
External barriers <i>(issues which also require action outside school, such as low attendance rates)</i>			
D.	Attendance, lack of time in in school due to COVID-19		
E.	Family literacy		
F.	Cost of attendance at extra-curricular activities		
4. Desired outcomes <i>(Desired outcomes and how they will be measured)</i>		Success criteria	
A.	Early identification of PP families	Regular meetings held with pre-schools to identify families early. Bespoke transition plans in place for identified children and families.	
B.	Increased attendance of all children	% increase in attendance, each term.	
C.	Children demonstrate increased levels of well-being, and are increasingly demonstrating good learning behaviours	Nurturing school principles are successful, targets met and full classroom engagement achieved. Successful ELSA sessions held with PP children.	
D.	Increased Parental/ Family Engagement	SLT visible and approachable outside and around school every day. Open, welcoming environment and ethos. Communication channels clear and in use, even when school may have to close, for example COVID-19 Lockdown. Email/telephone	

E.	<p>% of PP children achieving GLD in Reception increases.</p> <p>Improved % of PP children passing Phonics screening in Year 1</p> <p>Improved % of PP children achieving 'Expected' and above in Reading, Writing and Maths</p>	<p>% PP children achieving GLD increases/in line with peers</p> <p>% PP children passing check increases/ in line with peers</p> <p>% PP children achieving expected continues to increase</p> <p>Gaps between PP and non PP children's progress and achievement closing</p>	
-----------	--	--	--

5. Planned expenditure

Academic year

2020-2021

The three headings below enable schools to demonstrate how they are using the Pupil Premium to improve classroom pedagogy, provide targeted support and support whole school strategies

i. Quality of teaching for all

Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
Quality First teaching for all	Staff annual appraisals, CPD	Ofsted's 2014 report on PP progress Professional knowledge	SLT monitoring, learning walks, lesson observations, book scrutiny, tracking data	KA/FC	Annually in October

Whole school ethos of attainment for all	PP children 1 st item on agenda at every Pupil Progress meeting PP children referred to in all planning/ differentiation PP item on agenda for every GB meeting	Professional knowledge, staff discussion	Monitoring of PP documentation and meetings Monitoring of planning Learning walks Monitoring of GB minutes and meetings	KA/FC	Every term
--	--	--	--	-------	------------

ii. Targeted support

Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
Children demonstrate increased levels of well-being, and are increasingly demonstrating good learning behaviours in class, therefore demonstrating rapid progress in reading, writing and maths	ELSA practices to continue across the whole school. Nurture Practitioners to share nurturing school principals with all staff, to embed in all classroom practice. Nurture group run 4 sessions per week and Nurture mark initiated.	Nurture and ELSA techniques proven to be successful. Evidence demonstrated via data collection and analysis.	Monitoring by SLT Feedback and monthly meetings with Nurture Group staff Feedback from ELSA TA Data tracking PP meetings	KA/FC	Termly via Pupil Progress meetings Half-termly data analysis by KA

Rapid progress of Communication and Language in Reception	Targeted intervention/ support by LS with SALT and OT in reception	EEF Toolkit Success of interventions in previous year	Monitoring by FC Feedback from LS Data tracking	FC, LS	TA meetings led by FC and Sp and Language team. Termly Pupil progress meetings Half-termly data analysis by KA
Accelerated progress for our PP children in Phonics, reading, writing and maths	Targeted intervention groups Dedicated intervention/ nurture group practice embedded	Maths Intervention groups (YrR-2) English Intervention group (Yr R-2) SALT groups (Yr R-2) EEF Toolkit Accredited Nurture Group Training	Monitoring and data tracking by FC Pupil Progress Meetings	KA/FC	TA meetings led by FC Termly Pupil Progress meetings Half-termly data analysis by SLT Termly FGB reviews

iii. Other approaches

Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
Early Identification of PP families and relationships built with families.	Liaising with our pre-schools Extend Nurture provision to include parenting/play sessions	EEF Toolkit <i>Ofsted 'Unknown Children- Destined for Disadvantage?'</i> Nurture Group Network	Monitoring, meeting minutes, bespoke transition plans implemented	KA, FC, LS, ,SM	Half-termly

Increased participation in extra-curricular activities (breakfast club, lunchtime SCL sports clubs) of PP children	Promotion of activities via website, social media, SLT in playground before school, targeted families given information and advice by SLT and office staff Funding available for uniforms, breakfast club, school trips	Professional knowledge	Monitoring, feedback	KA, FC, CB	Weekly
--	--	------------------------	----------------------	------------	--------

6. Review of expenditure			
Previous Academic Year		2019-2020	
i. Quality of teaching for all			
Desired outcome	Chosen action / approach	Estimated impact: Did you meet the success criteria? Include impact on pupils not eligible for PP, if appropriate.	Lessons learned (and whether you will continue with this approach)
Improved transition between pre-school and reception and year 2 and KS2	Review Transition arrangements, review transition policy, review transition planning	A review of transition process has shown that it was an overall success, especially for those children transitioning into our school. For those children leaving the school to transfer to KS2 it was less successful due to COVID-19 limitations.	Overall success continue with approach, and enhance by early identification, liaising with pre-schools to offer bespoke transition packages to those families identified. include 'hard to reach' parents through play and learn sessions. Implement 'Plan B' should Covid-19 lockdown situation reoccur in July 2021
ii. Targeted support			

Desired outcome	Chosen action / approach	Estimated impact: Did you meet the success criteria? Include impact on pupils not eligible for PP, if appropriate.	Lessons learned (and whether you will continue with this approach)
Children demonstrate increased levels of well-being, and are increasingly demonstrating good learning behaviours in class, therefore demonstrating rapid progress in reading, writing and maths	ELSA Nurture Group	Outcomes met by all children able to access support.	<p>Successful intervention, need to embed further across the year groups into 'principals' of ELSA' so that all PP children can benefit.</p> <p>Nurture group extended to meet needs of more children.</p> <p>Extend Nurture provision to include Nurturing school principles, led by Nurture Practitioners to ensure good practice is shared and used with as many PP children as possible,</p>
Accelerated progress for our PP children in Phonics, reading, writing and maths	Intervention groups: Speech and language 1:1 reading support (FFT) ELS Nurture	Good progress shown in internal data and work.	<p>Interventions will be continued, albeit within classrooms with targets and increased accountability through TA meetings with SLT and appraisal targets set accordingly</p> <p>An increased focus and monitoring of children, upon entry to Year 1 has been successful, continuing this year.</p>
