

Home learning

Please ensure you try do at least one home learning challenge a week. We have not had very many pictures sent in of the children's work. Every day we check our emails with the children and award them 5 Dojo points for each completed piece of work.

PE

We have decided to change our PE sessions. We will now be doing PE on Tuesday and Friday mornings. We will have one session in the hall and 1 session on the field/playground. Please ensure your child has their PE kit in school and they have jogging bottoms for when it is cold. Feel free to send in trainers if you prefer these to plimsols.

Peek at the Week
Year 1
WB: 28.09.2020

Handwriting

We would like you to practise handwriting at home. Attached to this Peek at the Week is a handwriting practise sheet. Please sit down with your child and practise little and often. Please ensure they are sitting at a table and using a pencil. If you are unsure on forming the letters in cursive font please have a look at <http://www.ictgames.com/mobilePage/skyWriter/index.html>

Coats

Please ensure your child has a coat with them every day. We will be going out regardless of the weather. We are unable to provide spare coats due to current restriction.

This week we are learning

English	This week in English we are looking at the story Dogger by Shirley Hughes. Each day we will be working on creating our own story using a story board. The idea is that children build on this to have a go at creating their own story about a lost toy, even if it is through just using drawings.
Maths	This week we are continuing to work on our Place Value with numbers up to 10. We will be comparing numbers, ordering objects, looking at and using a number line and using ordinal numbers.
Phonics	This week in phonics we are working in phase 3. We will be recapping the sounds y, z, zz and qu. The children will be practising to read these sounds and write them in words and sentences. We will also be saying the alphabet everyday to help us remember the letter names. When writing we encourage the children to use the letter names when spelling something out opposed to the letter sounds.
Handwriting	We are practising our handwriting every day now in our handwriting books.
PE	This half term we will be working on our balance and coordination. The children have to stand and practise standing still in a range of different movements, we are also working on moving around either on one leg, something on our heads or holding something to ensure we stay balanced.
