

**Peek at the week  
Maple and Cherry Class  
WB - 12.10.20**

As the weather gets colder and you may well be sending in gloves/ hats/ scarves etc., PLEASE ENSURE THEY ARE CLEARLY NAMED! 😊

This week we will be talking about Harvest so don't forget your donations.

**Phonics & English**

We are continuing with Phase 1 phonics.

This week we are looking at voice sounds; exploring ways to make different sounds and silly voices as well as playing lots of games.

We are thinking about Harvest and will be looking at the story of the Little Red Hen.

We will be learning and retelling the story with actions and expressions.

**Maths**

We will again be exploring and comparing amounts and finding out from activities that 2 sets can have more, fewer or even the same amount of items.

**Understanding the world**

We are still looking at and thinking about Autumn. If the children find any natural autumnal objects please bring them into school to share.

**PSED**

Now that the children are becoming more settled it would be lovely to really start to see them become confident in having a go at some of the Home Learning Challenges. You can do these in their book and then email us with the photos to mark and award Dojo points.

**Expressive Arts and Design**

The children are really beginning to explore our arts and crafts areas, often experimenting with textures and colour.

Please continue to bring in junk as they really are loving this too.

**Communication and Language**

This Half Term - We will be using lots of language in class discussions and exploring how we can listen and communicate with each other, both inside and outside

**Physical Development**

This half term we will be looking at and exploring the children's big and small movements. In PE they will be doing lots of practising changing and learning simple gymnastics

**Cherry class have PE on a Monday and Maple on a Friday.**

**PLEASE ENSURE ALL EARRINGS ARE REMOVED FOR PE**
