

**Peek at the week
Maple and Cherry Class
WB - 05.10.20**

As the weather gets colder and you may well be sending in gloves/ hats/ scarves etc., PLEASE ENSURE THEY ARE CLEARLY NAMED!

We have welcomed the Guinea pigs and both classes have now met them and will be taking turns to have them. 😊

Phonics & English

We are continuing with Phase 1 phonics.

This week we are looking at Alliteration, we will be playing lots of games and making up silly sentences.

We will also be starting to send home a SHARING STORY this is not a reading book but a story to simply share together at home. As we do start to send home these book please keep water bottles out of book bags to protect the books

Maths

We will be comparing amounts. Looking at bigger/ smaller, shorter/ taller, more/ less and exploring this via the story of a Squash and a Squeeze

Understanding the world

We are still looking at and thinking about Autumn. If the children find any natural autumnal objects please bring them into school to share.

PSED

Now that the children are becoming more settled it would be lovely to really start to see them become confident in having a go at some of the Home Learning Challenges. You can do these in their book and then email us with the photos to mark and award Dojo points.

Expressive Arts and Design

The children are really beginning to explore our arts and crafts areas, often experimenting with textures and colour.

Please continue to bring in junk as they really are loving this too.

Communication and Language

This Half Term - We will be using lots of language in class discussions and exploring how we can listen and communicate with each other, both inside and outside

Physical Development

This half term we will be looking at and exploring the children's big and small movements. In PE they will be doing lots of practising changing and learning simple gymnastics

Cherry class have PE on a Monday and Maple on a Friday.

PLEASE ENSURE ALL EARRINGS ARE REMOVED FOR PE
