

# Peek at the Week Year Two

Week beginning: Tuesday 3<sup>rd</sup> November 2020

Dear Parents/ Carers,

We hope you have managed to have a look around our Google Classrooms. We have put the 'Home Learning' tasks there as a reference. Please submit these tasks via the Google Classrooms now, rather than the class email addresses. Children will continue to take spellings home in their red spelling books, but we will also upload them onto the site in case any go missing. Maths will also be set this way.

If you need to contact us regarding a different person picking up your child, please do so via the office ([info@bagshot.surrey.sch.uk](mailto:info@bagshot.surrey.sch.uk)) as we are unable to check the emails whilst teaching, and may miss a new instruction.

This week we will be covering the following:

## Maths: Money Week 2

- Recognise and use symbols for pounds (£) and pence (p); combine amounts to make a particular value.
- Find different combinations of coins that equal the same amounts of money.
- **Solve simple problems in a practical context involving addition and subtraction of money of the same unit, including giving change.**
