Headteacher: Miss K Aldred

9th December 2020

Dear Parents and Carers,

I was notified by the Department for Education on Tuesday afternoon, that schools *could* choose to *close* a day early to all pupils, at the end of this term, I am writing to inform you that we have taken the decision that we will **not** be taking up this offer and will remain open to all pupils on Friday 18th December.

We remain fully committed to teaching your children in school for as many days as we possibly can. I do not underestimate the pressure this early, unexpected closure would have on families who would need to arrange childcare at very short notice.

Barring any positive COVID cases, over the next week, we intend to be open to all pupils until the end of the day on Friday 18th December.

Yours sincerely

Miss K Aldred
