

**Peek at the week
Maple and Cherry Class
WB -30.11.20**

Hello everyone!

We are really enjoying seeing how the children are getting in to their phonics now and are starting to apply their knowledge in their independent learning time. We are very proud of them all!

Phonics & English

This week we will be teaching, ck, e, u, r. Please have a go at playing 'I spy' with objects starting with these sounds. We are also starting to listen for middle and end sounds such as c a t/ d o g

Don't forget to keep reading and keep all books in book bags and the yellow reading log. Thank you.

Maths

This week we will be talking about and using positional language. We will look at maps and try to make our own, move items in response to an instruction and move ourselves in the same way by doing an obstacle course on the field.

Physical Development

Please encourage your child to have a go at 'fiddly' activities such as doing up zips- this will support their fine motor skills in preparation for writing. In PE they will be practising gymnastic skills, and some simple team games

Cherry class have PE on a Monday and Maple on a Friday.

PLEASE ENSURE ALL EARRINGS ARE REMOVED FOR PE AND THAT LONG HAIR IS TIED BACK ☺

Understanding the world

We will be looking at our other core values over the next few weeks. These are collaboration, pride and motivation.

We will also be continuing to learn about other people lives , customs and cultures.

PSED

We are now starting to teach more focussed PSED sessions. This covers all aspects of Personal, Social and Emotional development. We use a whole school scheme for this called 'Jigsaw PSED'.

Expressive Arts and Design

We would once again be very grateful for some more junk modelling material please- our stock has finally finished! Thanks so much ☺

Communication and Language

This Half Term - We will be using lots of language around 'doing words' and using full sentences. Such as I am running, I am skipping, he is hopping, she is painting.
