Summer Newsletter No. 3

28th May 2021

Dear Parents and Carers,

What a busy term we have had! The children have been working hard and are certainly ready for a rest. It has been lovely to have completed a whole term, without any bubble closures and positive COVID cases; long may that continue!

I have updated the key dates section of this newsletter, following the good news that class group photographs will be going ahead on **Friday 11th June**.

I wish you and your families a safe and relaxing half-term break.

Kind regards
Miss K Aldred

Reporting positive COVID-19 cases

School will close today but, emails will continue to be monitored throughout the holiday period and should you need to get in contact, due to a positive COVID test outcome, please email via the school office on info@bagshot.surrey.sch.uk

You only need to report a positive test outcome to me, if your child developed symptoms within 48hrs of being in school as your child may have been infectious in this time, I will then assist NHS Test and Trace in identifying close contacts and advise relevant parents and staff about self-isolation.

Key Dates

28/05	Last day of school, finish at normal times
29/05	Half Term
07/06	Inset Day
08/06	Children return to school
11/06	Class Photographs
18/06	World Book Day celebrations
02/07	Annual reports issued to parents
21/07	Last day of school, finish at normal times

Healthier Together

A new website, *Healthier Together*, has been launched for parents, carers and young people to access local information. You can find further details here:

<https://frimley-healthiertogether.nhs.uk/>

Considerate Parking

I am being contacted, on a regular basis now, by our neighbours regarding inconsiderate parking from our parent community. Please do not block driveways, or park dangerously when dropping off and collecting your children. Not only is it inconvenient for our community but most importantly; very dangerous for our children.

Plant Sale

Pre COVID-19 our Year 2 gardeners regularly held plant sales, to help raise funds for our school garden. I am pleased to report that the school garden is fully up and running again now and children are helping us grow a wide variety of fruit, vegetables and flowers. We have grown a few too many plants this spring so are going to hold some sales again, albeit in a COVID safe way! Our first plant sale will be **Thursday 10th June** and this year we are inviting you to send your child into school with £2, in a sealed envelope and a carrier bag! On the day, each class will visit the garden and each child will be able to buy some plants of their choice. At our first sale we will have lots of tomato, strawberry and bedding plants. We will ensure there are enough plants for every child to take one home, with full growing instructions 🌱 The school garden is enjoyed and used by everyone but is funded completely by voluntary donations so, all donations are gladly received.
