

Progression of Skills – DT

The National Curriculum for design and technology aims to ensure that all pupils:

- develop the creative, technical and practical expertise needed to perform everyday tasks confidently and to participate successfully in an increasingly technological world
- build and apply a repertoire of knowledge, understanding and skills in order to design and make high-quality prototypes and products for a wide range of users
- critique, evaluate and test their ideas and products and the work of others
- understand and apply the principles of nutrition and learn how to cook.

Technical knowledge

- build structures, exploring how they can be made stronger, stiffer and more stable
- explore and use mechanisms [for example, levers, sliders, wheels and axles], in their products.

	EYFS 3 & 4 year olds ELG	Year 1	Year 2	End of key stage expectation
Design: Developing, planning and communicating ideas.	<p>Can I select appropriate resources?</p> <p>Can I use gestures, talking and arrangements of materials and components to show design?</p> <p>Can I use contexts set by the teacher and myself?</p> <p>Can I use language of designing and making? (join, build, shape, longer, shorter, heavier etc.)</p> <p>Can I explore different materials freely, to develop my ideas about how to use them and what to make?</p>	<p>Can I think of my own ideas for what I want to make?</p> <p>Can I explain what I want to do?</p> <p>Can I explain what my product is for, and how it will work?</p> <p>Can I use pictures and words to plan?</p> <p>Can I begin to use models?</p> <p>Can I design a product for myself following design criteria?</p> <p>Can I make suggestions of what I need to do next?</p> <p>Can I research similar existing products?</p>	<p>Can I think of my own ideas and plan what to do next?</p> <p>Can I explain what I want to do and describe how I may do it?</p> <p>Can I explain the purpose of my product, how it will work and how it will be suitable for the user?</p> <p>Can I describe my design using pictures, words, models, diagrams and begin to use ICT?</p> <p>Can I explain what I need to do next?</p> <p>Can I design products for myself and others following design criteria?</p>	<p>To design purposeful, functional, appealing products for themselves and other users based on design criteria</p> <p>To generate, develop, model and communicate ideas through talking, drawing, templates, mock-ups and, where appropriate, information and communication technology.</p>

Progression of Skills – DT

	<p style="color: red;">Can I develop my own ideas and then decide which materials to use to express them?</p> <p style="color: red;">Can I join different materials and explore different textures?</p>		<p>Can I choose the best tools and materials, and explain my choices?</p> <p>Can I use my knowledge of existing products to produce ideas?</p>	
<p>Make: Working with tools, equipment, materials and components to make quality products (including food).</p>	<p>Can I construct with a purpose, using a variety of resources?</p> <p>Can I use simple tools and techniques?</p> <p>Can I build / construct with a wide range of objects?</p> <p>Can I select tools & techniques to shape, assemble and join?</p> <p>Can I replicate structures with materials / components?</p> <p>Can I discuss how to make an activity safe and hygienic?</p> <p>Can I record experiences by drawing, writing, voice recording?</p> <p>Can I understand different media can be combined for a purpose?</p> <p>ELG Can I safely use and explore a variety of materials, tools and techniques,</p>	<p>Can I select tools/equipment to cut, shape, join, finish and explain my choice?</p> <p>Can I measure, mark out, cut and shape, with support?</p> <p>Can I choose suitable materials and explain my choices?</p> <p>Can I try to use finishing techniques to make product look good?</p> <p>Can I work in a safe and hygienic manner?</p>	<p>Can I join materials/components together in different ways?</p> <p>Can I measure, mark out, cut and shape materials and components, with support?</p> <p>Can I describe which tools I am using and why?</p> <p>Can I choose suitable materials and explain my choices depending on characteristics?</p> <p>Can I use finishing techniques to make my product look good?</p> <p>Can I work safely and hygienically?</p>	<p>To select from and use a range of tools and equipment to perform practical tasks [for example, cutting, shaping, joining and finishing].</p> <p>To select from and use a wide range of materials and components, including construction materials, textiles and ingredients, according to their characteristics</p>

Progression of Skills – DT

	experimenting with colour, design, texture, form and function?			
Evaluate: Evaluating processes and products.	<p>Can I adapt work if necessary?</p> <p>Can I dismantle, examine and talk about existing objects/structures?</p> <p>Can I consider and manage some risks?</p> <p>Can I practise some appropriate safety measures independently?</p> <p>Can talk about how things work Look at similarities and differences between existing objects / materials / tools</p> <p>Can I show an interest in technological toys?</p> <p>ELG Can I share my creations, explaining the process I have used?</p>	<p>Can I talk about my work, linking it to what I was asked to do?</p> <p>Can I talk about existing products considering: use, materials, how they work, audience, and where they might be used?</p> <p>Can I talk about existing products, and say what is and isn't good?</p> <p>Can I talk about things that other people have made?</p> <p>Can I begin to talk about what could make product better?</p>	<p>Can I describe what went well, thinking about design criteria?</p> <p>Can I talk about existing products considering: use, materials, how they work, audience, and where they might be used?</p> <p>Can I evaluate how good existing products are?</p> <p>Can I talk about what I would do differently if I were to do it again and why?</p>	<p>To explore and evaluate a range of existing products.</p> <p>To evaluate ideas and products against design criteria.</p>
Technical knowledge – Materials /structures		<p>Can I begin to measure and join materials, with some support?</p> <p>Can I describe differences in materials?</p> <p>Can I suggest ways to make material/product stronger?</p>	<p>Can I measure materials?</p> <p>Can I describe some different characteristics of materials?</p> <p>Can I join materials in different ways?</p>	<p>To build structures, exploring how they can be made stronger, stiffer and more stable.</p>

Progression of Skills – DT

			<p>Can I use joining, rolling or folding to make it stronger?</p> <p>Can I use my own ideas to try to make product stronger?</p>	
Technical knowledge - Mechanisms		Can I begin to use levers or sliders?	<p>Can I use levers or sliders?</p> <p>Can I begin to understand how to use wheels and axles?</p>	To explore and use mechanisms [for example, levers, sliders, wheels and axles], in their products.
Technical knowledge - Textiles		<p>Can I measure, cut and join textiles to make a product, with some support? (stick)</p> <p>Can I choose suitable textiles for a purpose?</p>	<p>Can I measure textiles?</p> <p>Can I join textiles together to make a product? (stick/pin/sew)</p> <p>Can I explain how I did it?</p> <p>Can I carefully cut textiles to produce accurate pieces?</p> <p>Can I explain choices of textile?</p> <p>Can I understand that a 3D textile structure can be made from two identical fabric shapes? (e.g. hand puppet, Christmas decoration)</p>	
Technical knowledge – Food and nutrition	<p>Can I begin to understand some food preparation tools, techniques and processes?</p> <p>Can I practise stirring, mixing, pouring, blending?</p> <p>Can I discuss how to make an activity safe and hygienic?</p>	<p>Can I wash my hands & clean surfaces thoroughly?</p> <p>Can I think of interesting ways to decorate food?</p> <p>Can I say where some foods come from? (i.e. plant or animal)</p> <p>Can I describe differences between some food groups? (i.e. sweet, vegetable etc.)</p>	<p>Can I explain hygiene and keep a hygienic kitchen?</p> <p>Can I describe properties of ingredients and the importance of a varied diet?</p> <p>Can I say where food comes from? (animal, underground etc.)</p>	To understand and apply the principles of nutrition and learn how to cook.

Progression of Skills – DT

	<p>Can I discuss the use of senses when describing food?</p> <p>Can I understand the need for variety in food?</p> <p>Can I begin to understand that eating well contributes to good health?</p>	<p>Can I discuss how fruit and vegetables are healthy?</p> <p>Can I choose appropriate ingredients?</p> <p>Can I spread, cut, peel and grate safely, with support?</p>	<p>Can I describe how food is farmed, home-grown, or caught?</p> <p>Can I draw an 'eat well' plate?</p> <p>Can I explain there are groups of food?</p> <p>Can I describe the "five a day" rule?</p> <p>Can I spread, cut, peel and grate with increasing confidence?</p>
