Dear Parents and Carers,

I am writing to inform you that the Ofsted report, following our two-day inspection in October, is now available on the school website and will be published on the Ofsted site within the next 8 working days.

I am delighted to confirm that we continue to be a 'Good' school and that safeguarding was judged as 'effective.'

The process was detailed and rigorous and we are pleased that the hard work undertaken by all in the school community has been recognised. The report itself highlights the many elements of good provision at Bagshot Infant School as well as the next step needed to take the school forward; this had already been identified within our school development plan, prior to the inspection and work has already begun which provides positive confirmation that we set the correct priorities for the school.

I do hope that you will take the time to read the inspection report in full as it represents a school that is not only good, but one that aims to improve further and with the children at the heart of its work.

Once again, may I thank all those involved in the inspection itself, especially the staff, parents, governors and children; all of whom help to make Bagshot Infant school the special place it is.

Yours sincerely,

Miss K Aldred
