25th April 2024

Dear Parents and Carers,

In our recent newsletter, we mentioned that this year's **Coin Race** will be held on 7th May, which is just around the corner. For those unfamiliar with how the Coin Race works, the children are invited to bring in as many coins as they can of any denomination. They work as a class to line up all the coins side by side and measure the length of the line they create, as well as add up the total value of the coins. The class with the longest line and the class with the highest value are crowned champions! This is a perennially popular activity, which the children are always very keen to win; it has the added benefit of raising funds for the school and putting the children's new knowledge of money and maths to good, practical use.

On the morning of the **7th May**, please send your children in with their coins in a **named bag or envelope** so no one's contribution gets misplaced.

We wish Cherry, Maple, Oak, Beech, Holly and Cedar all the very best of luck!

FOBSA
