Autumn Newsletter No. 4

9th October 2026

Dear Parents and Carers,

As the weather starts to change, it is often a little chillier in the mornings, please ensure you send your child to school with a suitable coat, we go outside in all weathers and the children do need a warm and waterproof coat...despite what they may think! If you need a new winter coat for your child, please get in touch with me as we have plenty of new and nearly new available.

We are looking forward to welcoming you to our Harvest assemblies next week. Please send in your harvest donations, from Monday, as per the list sent previously. These really will make a difference to the lives of families in our local community.

It has been a very busy first term back and I hope you all get a chance to rest and recharge over the half term break, when it comes at the end of next week 😊

Kind regards - Miss K Aldred

NHS Flu Vaccinations

I would like to remind you that the NHS portal for flu vaccinations will close on **29th October**, during the half term break. Please check you have completed the online form. Full details were sent to you previously via ParentMail.

Teaching Assistant Vacancy

We are currently recruiting for a lovely person to join our team of support staff.

If you would like to apply, you can do so [here](#)

If you are thinking of a career change and would like further information about the role please get in touch for a chat.

Book bags

Increasing numbers of children are coming to school with quite a collection of key-chains and toys attached to their bookbags. Some book bags are not fitting in trays, key chains etc are getting lost and are causing the children to be distracted from their learning and unfortunately, as is their way, children like to swing book bags and are accidentally hurting their friends.

Please can the 'extras' all be removed.

Packed Lunches

A reminder that if you would like your child to have a packed lunch, instead of a hot school lunch, they must have a packed lunch every day and not swap from one to another on different days. We do understand there are exceptional circumstances and, in those cases, families have informed us and we work together but, we are now seeing increasing numbers of children switching forward and back, throughout the week

If your child is having a packed lunch, please ensure it has healthy choices and absolutely **no nuts**. As you are aware, we have a number of children with nut allergies in school and as such we are a nut free school.

Please take the time to check packaging as there are a number of products which contain nuts that may surprise you

Snacks, at the end of the day must also be nut free, or eaten once off the school site.

Thank you in advance for your support.
